# LEADERSHIP WILKES–BARRE

---

## ★ Program History and Concept ★

Leadership Wilkes–Barre was founded in 1981 in response to the community’s need for a steady supply of leaders who are both familiar with the general structure of the community, its problems and issues, and are also capable of organizing and directing the efforts of others. The nine–month core program is designed to develop well-informed, motivated leaders who have the skills and commitment to work together to strengthen Northeastern Pennsylvania. Leadership Wilkes–Barre is a private, non–sectarian, non–profit organization.

## ★ Mission Statement ★

Leadership Wilkes–Barre seeks to develop informed and committed leaders from all segments of the community who will serve, strengthen and improve Northeastern Pennsylvania.

## ★ Program Objectives ★

- Bring together current and emerging leaders representing a broad cross-section of the community: business, the professions, government, education, religion, the arts, ethnic and minority groups, service and community organizations.
- Develop leadership skills.
- Inform participants of the concerns of our community, its problems, challenges, solutions and the resources available.
- Create and implement group projects that address needs in the community.
- Stimulate a commitment and a responsibility to serve and strengthen our communities.
- Build a network of community trustees through class participation.

## ★ Results ★

Short–term results indicate that six months after graduation at least 60% of the members of the Class of 2018 have accepted new board positions and have joined various committees and task forces.

## ★ Application Process ★

Persons interested in being a member of the Leadership Wilkes–Barre class should submit a completed application and \$40 application fee to the Leadership Wilkes–Barre office by April 15, 2019. The Leadership Wilkes–Barre Selection Committee reviews each application. Applicants will be notified in writing of their acceptance in May.

## ★ Selection Criteria ★

- Interest in serving the Northeastern Pennsylvania community through volunteer and/or appointed leadership roles or advocacy roles;
- Ability to set and achieve personal goals resulting in a position in their career field that reflects significant achievement relative to age and experience; and
- A record of achievement in community activities that indicates a capacity for increased responsibility including positions of leadership in volunteer organizations.

(over)

Each year a maximum of 50 participants from various sectors of the community are selected. The diversity of each Leadership class is carefully considered. Given this factor and the limited class size, some highly qualified candidates are turned down each year. We encourage applicants to re-apply should they not be accepted the first time.
